

# Feds OUT Of Chicago and Portland! No Fascist Police State: Trump/Pence Out NOW!

**South Central March  
Florence and Broadway  
2pm Saturday  
August 1st**

**TO END INSTITUTIONALIZED RACISM AND MURDER BY POLICE  
TO END ANY WAY PEOPLE ANYWHERE ARE USED, ABUSED, AND BRUTALIZED**

**WE NEED: REVOLUTION—NOTHING LESS!**

We are at a serious crossroads. A fierce struggle for the future is underway. The powerful uprising for Black lives and for an end to police terror has shaken the country, terrifying the powers-that-be. Now, the fascist Trump is threatening to take over cities where Democratic Governors and Mayors are not according to Trump bringing down enough violence on the people to crush this rebellion.

In Portland, Trump and the DOJ have brought in a federal paramilitary force. These pigs, in unidentified military camo, have targeted protesters dragging them off the streets into unmarked vans. The people of Portland who have been in the streets for over 60 days straight have not backed down and many more people are joining them.

Now, in Chicago, Trump is cynically using the pretense of violence among the people to send in a “Surge” of 200 feds against the people, putting people on lists to be arrested and violating basic legal rights. In LA there has been an attack from the feds on a hard fought gang truce in South Central. **People all over the country have to stand together against this**—These moves must be resisted by millions, and this fascist regime driven from power.

The Revolution Club is fighting for a world without white supremacy, where Black and Brown people can walk down the street without a target on their backs; a world without borders; a world where women and differently gendered people are treated as full human beings. A world community of human beings, where all people come together for the common good of humanity and the planet.

To bring this radically different world into being: **We need an actual revolution—we need to overthrow this oppressive system and bring a radically different and much better system into being—and we are building a movement for this revolution now: working to bring forward and organize thousands of people, now, who are taking up and getting trained in the strategy and theory of the revolution brought forward by Bob Avakian (BA), and are moving together to apply this now to “hasten”—to influence and develop things toward—this revolution, so that we can lead millions to make this revolution at the earliest possible time, as soon as the necessary conditions for that have been brought into being.**

We have the strategy - the leadership and the plan to make this revolution. Join Us.

# 5-2-6: 5 STOPS, 2 CHOICES, AND 6 POINTS OF ATTENTION

*Easy to remember: concentrating the path to getting organized for revolution*

**5 STOPS**—five horrific forms of oppression that this system can't reform away. The 5 STOPS:

**STOP** Genocidal Persecution, Mass Incarceration, Police Brutality and Murder of Black and Brown People!

**STOP** The Patriarchal Degradation, Dehumanization, and Subjugation of All Women Everywhere, and All Oppression Based on Gender or Sexual Orientation!

**STOP** Wars of Empire, Armies of Occupation, and Crimes Against Humanity!

**STOP** The Demonization, Criminalization and Deportations of Immigrants and the Militarization of the Border!

**STOP** Capitalism-Imperialism from Destroying Our Planet!

**2 CHOICES**—either live with this and the oppression will go on and on...or, as BA says: **MAKE REVOLUTION.**

**6 POINTS OF ATTENTION** which The Revolution Club upholds, lives by, and fights for.... Spread them. Take them up.

“ ...We Have 2 Choices: either, live with all this & condemn future generations to the same, or worse, if they have a future at all... ”

Or, **MAKE REVOLUTION!** ”

Bob Avakian

## POINTS OF ATTENTION FOR THE REVOLUTION

*The Revolution Club upholds, lives by and fights for the following principles:*

**1 We base ourselves** on and strive to represent the highest interests of humanity: revolution and communism. We do not tolerate using the revolution for personal gain.

**2 We fight for** a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or “jokes” about people’s gender or sexual orientation.

**3 We fight for** a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, “jokes” or derogatory names about a person’s race, nationality, or language.

**4 We stand with** the most oppressed and never lose sight of their potential to emancipate humanity—nor of our responsibility to lead them to do that. We work to win people of all backgrounds to take part in the revolution, and do not tolerate revenge among the people.

**5 We search for** and fight for the truth no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.

**6 We are going for** an *actual* overthrow of this system and a whole better way beyond the destructive, vicious conflicts of today between the people. Because we are serious, at this stage we do not initiate violence and we oppose all violence against the people and among the people.
